Award Recommendation

Dear Rob:

Attached please find the bid tabulation sheet for the above referenced project. We are pleased with the results and have contacted the lowest responsible bidder, Whitton Construction, to discuss their bid and understanding of the project. They indicated that they have included the necessary allowance and contract requirements, understand the project schedule, and are prepared to enter into a contract with the District. Outlined below is a summary of the recommended contract, including add Alternate No. E-1:

General Construction

Whitton Construction LLC, Gouverneur, NY

Base Bid	\$80,150.00
Add Alternate No. E-1 - Electric Work in Rooms A111 and A112	<u>\$8,199.00</u>
Contract Total	\$88,349.00

The recommended contract contains a **\$4,000** contingency allowance.

Upon the Board’s direction, we will prepare the necessary contract for Whitton Construction LLC. If you have any questions, please do not hesitate to contact me.

Very truly yours,

David D. Jadowski, AIA
